Soothing Heating Pad

Large size

All revolutionary creation comes from a simple belief, care around you. Wellcare large size soothing heating pad provides maximum coverage with more than 260 strands of warmth flow. It can be used not only on your lower back, but on lower abdomen and other parts where the warmth is needed.

Moreover, 4D DWF technology is utilized in this product as well. With this innovative technology, this heating pad provides you with the greatest relaxation and comfort.

4D DWF brings you 3 most important benefits:
- Better breathability
- Uniquely designed holes to provide 360 degrees warmth circulation
- Warmth kept at a constant temperature
